Ayumanager PRO

ayumanagerpro.com

Run your Ayurveda clinic or hospital from one system

OPD, case paper, Panchakarma, pharmacy and billing in one place, built around how Ayurveda doctors actually work.

Start 30-day free trial →

Free Android app

GST-ready billing

Made for Ayurveda, not adapted from allopathy

Classical case paper

Symptoms, Dinacharya and Pariksha in Sanskrit, plus anupana and pathya-apathya advice.

Combination medicines

Saved formulations: prescribe in one click, change easily, price correctly on the bill.

Panchakarma plans

Auto-generated session schedules, therapist assignment and package billing.

Everything your practice needs

OPD & appointments
Booking, queues, follow-ups and doctor schedules.

Pharmacy & inventory
Stock and batch tracking, low-stock alerts, purchases.

Billing & receipts
Invoices, packages, discounts, dues, GST-ready.

IPD & NABH discharge summaries
Admission to discharge for hospitals and centres.

Staff & roles
Separate access for doctors, therapists, reception, admin.

Reports & analytics
Daily collections, OPD/IPD stats, therapy utilisation.

We set it up for you

Onboarding and training, data migration, and your own case paper and bill formats.
